

Summary of the University Committee for Research and Innovation meeting (UCRI) held on 14 January 25

Please see below a brief summary of the main topics of discussion at the recent meeting of UCRI:

Main topics of interest:

At this meeting we:

- Reviewed the Research Infrastructure report and recommendations prior to presentation to Planning and Change Board. We also discussed the establishment of a steering group and next steps.
- Discussed our approach for phase 2 of the IDRC review and agreed the panel membership.
- In response to the consultation, considered edits to the draft R&I strategy in preparation for presentation to UEB and Scrutiny and Finance Committee.

In other news we:

- Approved the guidance and application form for The Tyler Prize and agreed to an earlier launch of Spring 25, conditional on HOS support.
