

## **Summary of the University Committee for Research and Innovation meeting (UCRI) held on 03 June 25**

Please see below a brief summary of the main topics of discussion at the recent meeting of UCRI:

### **Main topics of interest:**

At this meeting we:

- Considered and approved a revised strategy to sustain the Statistical Community of Practice (SCoP) through integration with the Open Research Action Plan (ORAP) and approved our support of the centrally funded SCoP Director role.
- Discussed and approved the recommendations made in the IDRC Review report. A list of follow up actions will be compiled.
- Following scoring and ranking, made our final decisions on the RDF Open Call applications 25/26.

### **In other news we:**

- Approved the Research Development Operating Plan template for 25 /26 ready for circulation to the RDLs.
